

# Welcome Your Clients to the Neighborhood

We provide resources and incentives to help you support your clients best.

## Connecting to Natural Gas is Easy

Natural gas appliances provide reliable and cost-efficient energy for heating, cooking and more. Your clients could **receive up to a \$1,500\*** rebate for the purchase and installation of qualifying natural gas appliances, including a range, oven, dryer, fireplace or standby generator. Plus, there is **no cost†** to connect a service line from the street to your home. Visit [SwitchToGas.com](http://SwitchToGas.com) for more information.

Share these resources with your clients.

## Let's connect!

New Jersey Natural Gas

\*Terms and conditions apply. NJNG will provide eligible customers up to a \$1,500 rebate for the purchase and installation of non-eligible SAVEGREEN® natural gas home appliances providing your NJNG application is received by NJNG on or before September 30, 2026. Offer subject to available funding. Paid receipt must be emailed to [conversions@njng.com](mailto:conversions@njng.com) by December 31, 2026. Limit one offer per eligible service address. Customer must convert to natural gas to be eligible for the offer. Visit NJNG online at [SwitchToGas.com](http://SwitchToGas.com) for complete details, terms, and conditions.

†Terms and conditions apply. Up to 50 feet of new natural gas service line from the street to your house at no charge. Must have existing main in front of property. Street opening permit fee additional. Application must be received by NJNG on or before September 30, 2026.

## Energy-Efficient Upgrades for New Homeowners

SAVEGREEN® by New Jersey Natural Gas (NJNG) offers valuable rebates\* and financing options\* to help new homeowners upgrade outdated HVAC and water heating systems. It's a great opportunity for your clients to improve comfort and efficiency while saving on energy usage and costs — right from the start.

If your clients are looking to maximize energy savings, they may be eligible for incentives\* from SAVEGREEN's Whole Home Energy Solutions program for comprehensive upgrades:

- Insulation
- Seal up
- Qualifying HVAC and water heating equipment

## **FREE\*** Home Energy Assessment for New Movers

Clients who've recently moved within NJNG's service territory may qualify for a free† Whole Home Energy Assessment Plus. A certified auditor will identify ways to help save energy throughout the home. Plus, when a smart thermostat is purchased from the NJNG Marketplace, we'll install it at no extra cost†.
