*Terms and conditions apply. All offers are subject to available funding. Visit savegreen.com/residential for rebates and financing terms and conditions.

†Energy saving estimate assumes all recommended measures are implemented. No particular amount of energy savings is promised or guaranteed.

‡Terms and conditions apply. All offers are subject to available funding. Maximum On-Bill Repayment Program 0% APR financing for eligible NJNG residential customers is \$25,000. All loans are net of NJNG rebates. The rebate amount is calculated based on the estimated total energy saved (TES); TES is the amount of British Thermal Units (BTU) saved compared to the total BTUs consumed by the building, which is calculated using energy modeling software. The minimum rebate is \$2,000 and the maximum rebate is \$7,500. To qualify for the minimum \$2,000 rebate, the building must have a TES of 5%. After 5%, customer will receive an extra \$200 for each additional TES percentage. This offer is subject to change, including termination, without prior notice. Rebates and financing do not apply to new construction. Offer applies to qualifying equipment purchased and installed by June 30, 2027. Rebate applications must be postmarked within 120 days of equipment purchase date. Customer must submit a paid receipt and proof of permit with NJNG application. Visit savegreen.com/residential/whole-home-efficiency.aspx for rebates and financing terms and conditions.

**Terms and conditions apply. Offer expires on June 30, 2027 and is subject to available funding. Must be a NJNG residential conversion customer, a residential customer activating service or an existing residential customer transferring service to a new service address. Existing NJNG customers must be in good standing. Offer valid for one year from the date of account activation at service address. Limited to one free home energy assessment during the first 12 months of service. In order to have a smart thermostat installed during the Whole Home Energy Assessment Plus visit, the customer must have ordered the devices directly through the NJNG Marketplace and have the units (max of 2) available at the time of the appointment. This offer is subject to change, including termination, without prior notice. This offer does not apply to new construction. Offer subject to change without notice. Visit savegreen.com/residential/whole-home-energy-assessments for more information.
